

On-Site Interviewer

MQO Research is seeking self-motivated, outgoing individuals to join our team as on On-Site Interviewer at the **Deer Lake Airport** terminal. As an On-Site Interviewer your primary role would be to conduct a short intercept survey with passengers at the terminal. The ideal candidate is an exceptional team player who works equally as well independently and has no qualms striking up a conversation.

Responsibilities:

- Intercept passengers at the **Deer Lake Airport** terminal to conduct a short survey via a tablet.
- Carry out tasks in a professional manner.
- **Dependable** to work a variety of shifts. Shift times are:
 - 4AM-10AM
 - 10AM-3PM

Qualifications:

- Completion of High School.
- Strong interpersonal communication skills.
- Customer Service and/or Surveying experience would be an asset.
- Ability to work independently with minimal supervision.
- Have a flexible schedule – shift times will be dictated by flight departure times.

This is a part-time temporary position running from May to October. Shift-work is required. Hours will vary. It is anticipated that there will be, on average **25-30 hours per week** during the period. The wage for this position will be **\$18-20 per hour**.

If interested, please email your resume to join-our-team@m5.ca citing “**On-Site Deer Lake**”.
