

Deer Lake Regional Airport is seeking **2 Seasonal Equipment Operators** to join our team!

Who We Are

For more than 60 years, Deer Lake Regional Airport has serviced Western Newfoundland and Labrador with regularly scheduled passenger service to and from destinations in eastern and central Canada, with connections worldwide. We're one of the few airports in the world where you can access three World UNESCO Heritage Sites in one trip! Located just off the Trans-Canada Highway in the heart of Western Newfoundland, every day we welcome travelers of all kinds through our doors. Tourists, business travelers and rotational workers are all greeted with a smile as they connect with adventure, work, family and friends in Western Newfoundland.

What We're Looking For

You thrive on:

- Being part of a team;
- Communicating effectively;
- Critical thinking to analyze, evaluate information and plan to mitigate risk to consistently make informed and clear decisions;
- Attention to detail while being highly organized with an aptitude for prioritization and an ability to multi-task.

What You Will Do

The successful candidate will be required to operate a variety of heavy equipment used to clear and maintain the airfield, access road, parking lots, and other airport facilities during its winter operation. The individual must be capable of safely operating a front-end loader, backhoe, grader, snowplow, snow blower, runway sweeper and other equipment as required. The incumbent will also perform general maintenance work and assume other related duties as assigned.

Qualifications

- Applicants must have experience, certified training and hold a valid certificate in
 - Valid driver's license
 - Class 3 Equipment Operators license with an air brake endorsement issued by the Province of Newfoundland and Labrador
 - Certification in powerline hazard training
 - Training in operating various types of heavy equipment,
 - Standard First Aid/CPR/AED
 - WHIMIS 2015
 - considerable knowledge of the regulations and safety practices utilized in the operation of heavy equipment; or any equivalent combination of training and experience.
- Note: Possession of an Airside Vehicle Operators Permit and a Restricted Radio Operators License would be definite assets.

What We Offer

- Engaging workplace - our priority is to create an environment where employees feel valued, respected, connected, and tuned in, we have forward-thinking policies and strategies.
- Career development where you have access to career guidance, tools, resources, and education opportunities for every stage of your career.
- A competitive salary and benefits package in accordance with the Collective Agreement

If you are an enthusiastic individual who has a passion for airport operations and safety, have the qualifications, and are prepared to meet the challenges as outlined, apply in strictest confidence on or before 4:00 pm on August 25th, 2023.
