

Deer Lake Regional Airport is seeking **one (1) Casual Airport Technician / Journeyperson Heavy Duty Equipment Technician** to join our team!

### Who We Are

For more than 60 years, Deer Lake Regional Airport has serviced Western Newfoundland and Labrador with regularly scheduled passenger service to and from destinations in eastern and central Canada, with connections worldwide. We're one of the few airports in the world where you can access three World UNESCO Heritage Sites in one trip! Located just off the Trans-Canada Highway in the heart of Western Newfoundland, every day we welcome travelers of all kinds through our doors. Tourists, business travelers and rotational workers are all greeted with a smile as they connect with adventure, work, family and friends in Western Newfoundland.

### What We're Looking For

You thrive on:

- Being part of a collaborative and respectful team;
- Communicating effectively;
- Critical thinking to analyze, evaluate information and plan to mitigate risk to consistently make informed and clear decisions;
- Attention to detail while being highly organized with an aptitude for prioritization and an ability to multi-task.

### What You Will Do

The successful candidate in this safety sensitive role will be required to perform high quality maintenance and preventive maintenance, diagnostics, hydraulic system troubleshooting, overhauling and repairs to the fleet of unique equipment specific to the Deer Lake Regional Airport, as well as light vehicles and other equipment. This candidate is also responsible for aspects of airport operations including; airfield inspection maintenance, aircraft movement surface condition reporting, bird and wildlife management control, maintaining airport grounds, operating and maintaining heavy equipment and ERS vehicles, conducting and performing general maintenance on airport infrastructures, safely storing and applying chemicals and other agents, maintaining records and inventory control, responding to emergency situations in conjunction with the emergency response plan. The incumbent will assume other related duties as assigned.
