Subject: Request for Expressions of Interest (RFEOI) for Food and Beverage Concession Opportunity at Deer Lake Regional Airport Authority.

Dear Respondent;

Deer Lake Regional Airport Authority (DLRAA) is inviting Expressions of Interest from qualified parties for the operation and management of food and beverage concession services at Deer Lake Regional Airport. The opportunity includes the provision of airside and groundside restaurant services located within the Airport Terminal Building (ATB).

The purpose of this RFEOI is to obtain information from qualified and experienced national, regional and/or local businesses and operators. Interested parties must demonstrate the fit and viability of their business for the available concession space.

Interested parties wishing to register their interest and request the complete detailed RFEOI document should contact Patti Parsons, Director Corporate Services, by email at pattiparsons@deerlakeairport.com. The complete RFEOI document, including any published addenda, will be provided to registered parties only.

The issuance of this RFEOI does not obligate Deer Lake Regional Airport Authority (DLRAA) to proceed with a Request for Proposals (RFP), award a contract, or enter into negotiations with any respondent. DLRAA reserves the right, at its sole discretion, to reject any or all submissions, to discontinue or modify this process at any time, and to engage with one, multiple, or none of the respondents. Further, DLRAA reserves the right to enter directly into negotiations and subsequently execute an agreement with a respondent without issuing a subsequent public RFP, if deemed to be in the best interests of the Authority.

The deadline for submitting questions is no later than December 16th, 2026. DLRAA will provide answers which would have an impact on all respondents by issuing in an addendum no later than December 22nd, 2026.

Final submissions are due no later than: January 05, 2027, 4PM NL Time.

Sincerely,

Patti Parsons
Director Corporate Services
Deer Lake Regional Airport Authority
